APPLICANT CHECKLIST

The following checklist is for your record-keeping. Applications and the entrance test must be complete by the appropriate deadline. Applications may be mailed to the Schools or brought in person.

**STEP 1:** Mail in your application, $75 application fee (paid online on the Schools’ website or by certified check or money order), essay, completed references and the appropriate signed Consumer Information form. References and transcripts may arrive separately, if necessary.

**STEP 2:** Request official transcripts from all the schools you have attended (high school, all colleges, vocational schools, schools of practical nursing, radiography, etc.). Only official transcripts will be considered in processing your application.

Official transcripts are those transcripts sent directly from one school to another without student receipt and include the official seal of the sending school. Official transcripts in envelopes sealed with the respective school’s seal, hand carried by the applicant, will also be accepted.

If you attended school under another name, please have the school include your current name as well as your former name(s). This applies to all transcripts and evaluations.

If you have been home schooled, you must also submit a copy of your transcript or home school record. If a home school record transcript is not available, a GED may be submitted instead. SAT scores, complete recommendation and the essay must be submitted as well.

It is the applicant’s responsibility to notify high schools and colleges to forward the requested information directly to the Schools by the appropriate deadline. Incomplete applications will not be considered.

**FOR HOLDERS OF GED (General Education Development Diploma):** You must have your official GED test results sent to the Schools. For information about taking the GED, having scores forwarded, or for more information about the requirements for the thirty (30) college credit route to a state-endorsed High School Diploma, contact:

For applicants with transcripts from schools outside of the United States
Applicants with educational credentials from schools outside of the United States must first have their transcripts translated and evaluated. Contact the evaluation agency listed below or another current member of NACES (the National Association of Credential Evaluation Services), www.naces.org for international transcript evaluations.

Allow ample time for processing by the deadline. The Schools are not affiliated with any accrediting agency. If you would like to receive credit for specific courses that you have completed, these evaluations must be done on a course-by-course basis. The evaluation must also include verification of high school graduation.

World Education Services, Inc., P.O. Box 5087, Bowling Green Station, New York, NY 10274-5087, Telephone: (212) 966-6311, Fax (212) 739-6100, Email: support@wes.org or visit the website, www.wes.org.

**STEP 3:** Each program requires three complete letters of reference. Make sure you complete your section of the reference form. The individual completing the letter of reference must complete and sign the form; they must also write a letter of reference.

- High school seniors, or those who have graduated from high school within the last three years, must include a complete reference from a guidance counselor, teacher or high school administrator.

- LPN graduates must include a complete reference from the director of their LPN program or a faculty instructor (not required if they graduated more than five years ago).

- Applicants, who have previously attended another nursing school within the last five years, must submit at least one letter of reference from either the program’s director or from a faculty instructor(s).

- All other applicants must obtain complete references from an employer, supervisor, previous college instructor or any other non-family professional contact who can address character and academic abilities. References from friends or family members are NOT acceptable.

- Applicants seeking readmission to the Schools should consult the Catalog for instructions.

**STEP 4:** Candidates who graduated from high school within the last three years must submit SAT or ACT scores. This requirement is waived for all other applicants. The Schools’ SAT code is 2452. SAT information is available at www.collegeboard.com.

**STEP 5:** Applications may be mailed or personally delivered to the Schools.

- If you are not a U.S. citizen, you must bring your application to person to the Schools’ Administrative Offices. You will be required to show your Permanent Resident card and/or Naturalization paper at that time. Permanent residency is a requirement for school entrance consideration.

- If you are a licensed practical nurse (LPN), you must bring your application to person to the Schools’ Administrative Offices. You will be required to show your valid LPN license at that time.

The Schools cannot proceed with your application without this information. This must be done in person; copies are not acceptable.

**STEP 6:** The applicant must select one of the essay topics listed on the application and write an essay of 250 words or more. Include this essay when submitting the application.

**STEP 7:** Read, sign and return the appropriate Consumer Information Sheet:

**STEP 8:** Please complete the survey asking how you heard about the Schools.

It is the applicant’s responsibility to submit, or directly forward to the Schools, all the requested information by the appropriate deadline. Incomplete applications will not be considered.

All the above materials should be mailed to:
JFK Muhlenberg Harold B. and Dorothy A. Snyder Schools
P.O. Box 4649

Student Right-to-Know
The following information is being provided as required under the Student Right-to-Know and Campus Security Act, Public Law 101- 542, as amended by the Higher Education Technical Amendments of 1991, Public Law 102- 26, and the Higher Education Technical Amendments of 1993, Public Law 103-208.

Information on the School of Radiography Program Effectiveness Data
Of the 17 + 1 (Advanced Placement Student) graduates from JFK Muhlenberg Harold B. and Dorothy A. Snyder Schools’ Program in Radiography in 2015, sixteen (16) students passed the ARRT Boards, 93% of first-time examinee pass rate. The majority of the School of Radiography students are “transfer-ins”, and, therefore, are not considered first-time, full-time degree-seeking students.

Employment data is not yet available for the 2015 graduates. Of the 2014 graduates, there was 100% job placement within 12 months after graduation.

PHYSICAL/TECHNICAL REQUIREMENTS FOR ADMISSION
Applicants to the School of Radiography must be able to perform specific skills in order to perform clinical assignments of the School and to perform all procedures required of a diagnostic radiographer in the work force.

Corrective devices are permitted to meet the minimum requirements.
1. Communicate in English in order to converse and instruct patients, to relieve their anxiety and gain their cooperation during procedures.
2. Hear a patient talk in a normal tone from a distance of 20 feet.
3. Observe the patient in order to assess his condition and/or needs from a distance of at least 20 feet.
4. Read a patient’s medical chart and/or physician’s orders.
5. Evaluate radiographs using a view box to make certain that the films contain proper identification and are of diagnostic value.
6. Render services and/or assistance to all patients depending on the individual patient’s needs and abilities when moving, turning, getting on and off the radiographic table or stretcher and when moving in and out of a wheelchair.
7. Push, pull and lift 40 pounds.
8. Push and manipulate a portable X-ray machine in turning corners, maneuvering on and off elevators and within a patient’s room.
9. Manually move and maneuver the X-ray tube at standard and non-standard heights up to 7 feet.
10. Draw up sterile contrast media and other solutions without contaminating the syringe needle and/or injecting device.
11. Select the exposure factors necessary to produce a radiograph by manipulating dials, buttons and switches.
12. Place X-ray cassettes in Bucky trays and spot film devices and properly manipulate all locking devices.
13. Physically be able to administer emergency care including CPR as necessary.
14. Physically be able to stand for periods as long as 2 hours while wearing lead aprons and to walk a distance of 2 miles during a normal work day.

I have read the above Physical and Technical Requirements for admission into the JFK Muhlenberg School of Radiography. My signature below determines that I am capable of fulfilling these requirements.
